

Cont  
AI wait for the multi-screen presentation. It may also be the case that other video displays are not  
available because of a malfunction or routine maintenance.

### In the Claims

5 Please amend claim 9 as follows:

- sub B<sup>917</sup>  
A2
- (Amended) A method of displaying a video presentation for use with wagering devices,  
the method comprising:
- 10 (A) providing at least one wagering device, the wagering device being adapted to  
operate a wagering game;
- (B) providing a plurality of video displays, the video displays being adapted to  
display a video presentation;
- (C) providing a video presentation;
- (D) dividing the video presentation into a plurality of screen segments; and
- 15 (E) displaying a different screen segment of the video presentation on each video  
display, wherein the segments of the video presentation, when viewed as a whole,  
appear as an integrated video presentation.

### REMARKS

In the Office Action, the Office noted that claims 1-29 are pending in the application and  
20 claims 1-29 are rejected. By this amendment, claim 9 has been amended. The Applicants  
respectfully traverse the Office's rejections.
